Java Retreat scheduled for October 6

Aava Java is hosting a “Java Retreat” on Tuesday, October 6, from 6 to 9 pm with two other local women-owned businesses, Dinner by Design and Cut Loose Design. Large, flavored lattes will be on sale for \$3.50 during the event, Dinner by Design will provide complimentary hors d’oeuvres and Cut Loose Design will provide seated massages, instant manicures and a session on “Rejuvenating Your Hairstyle Without Shampooing” at special reduced prices.

Stop by on October 6th and give yourself a break from the everyday—put your feet up, enjoy a delicious latte and treat from Dinner by Design and pick up some tips or a massage.

We’ve attached flier you can put up at work or post on the fridge as a reminder. Hope to see you here!

New Menu Items:

New Sandwich Wraps: We are now serving two sandwich wraps—a turkey wrap with taco dressing, tomatoes, and a combination of four Mexican cheeses and a ham wrap with a honey mustard dressing, green onions and either American or Swiss cheese. The wraps come with either chips or a Dole fruit cup and a pickle spear. The servings are very generous and are sure to fill you up (or send you home with a snack for later) for \$5.50. They are available all hours we are open.

Pie & Ice Cream: You’ve screamed for ice cream (& pie), so we’ve added a couple flavors—cherry and dutch apple for \$2.29 a slice and an additional \$.75 for a scoop of ice cream. Best served with the pie heated for 20 seconds first so the ice cream just starts melting (it took MANY test trials to determine just the right amount of time to make it perfect!). So if you’re out for a movie or dinner, stop by Aava Java on your way home for a late afternoon or evening treat.

Cookies & Banana Bread baked from scratch: We’ve partnered with our friends at Dinner by Design to bring their HUGE chocolate chip cookies and banana bread to our customers. The banana bread is now in the bakery case and the cookies in a cookie jar next to the cash register (making them really difficult to resist). Try one when you’re looking for a treat!

The new Turkey Wrap at Aava Java—served all day and evening. Stop by for lunch!

Looking to join an informal debate/discussion group?

Donald is a long-time socially, politically and economically focused Aava Java customer and is looking for other like-minded individuals to join him in discussing current events to be held regularly at Aava Java in the evenings—the dates and times will be determined by the group. If you’re interested in starting a group with Donald, give him a call at 815-953-4224. Donald doesn’t have any members yet, but will call the event “Intellectual Fight Club—the society of proactive truth seekers”. His tag line for the group is “what happens in Fight Club goes in the newsletter.” Give Donald a call and give your brain a workout!
